Deux Mondes A Communicative Approach French Edition for

The book is very user-friendly and does indeed take a communicative approach to teaching a foreign language. The illustrations, exercises, and answer key are all very helpful. I just wish there were an English-French glossary in the back to go along with the French-English one.

The Natural Approach in general, and "Deux mondes, Fourth Edition" in particular, present material inductively (so that the activities drive the grammar) and in the context of culturally rich themes and topics. This text clearly sets itself apart from the competition: with "Deux mondes," students quickly become excited with their rapid growth in comprehension and vocabulary acquisition, and enjoy speaking in the non-threatening environment made possible by the activity formats.
